Exciting Career Opportunities

IT Projects Testing Co-ordinator

Reporting to: Country Head of Information Technology

Business Unit: Information Technology

Location: Lusaka

Responsibilities

- Testing of the deployments and ensuring that new products are configured and implemented on the core applications.
- Conceptualise a workable solution to address the business objective and define supporting processes, organisational structures, capabilities and relevant KPI's and KRI's.
- Provide input into the review of the technical and business aspects of supporting and training documentation.
- Provide ad hoc reports in line with stakeholder requests.
- Identify opportunities to share knowledge and lessons learnt.
- Plan and manage own workflow, anticipating obstacles, juggling priorities and following through on objectives within agreed time-frames and according to quality standards.

Candidate Requirements

- Grade 12 School Certificate with 5 credits including English and Mathematics.
- Relevant IT Degree/Diploma with relevant programing certifications.
- 3+ years' development experience, preferably in a financial services environment.
- Proficiency in MS Office (Word, Excel, Power point and Outlook).

Interested Applicants who meet the job requirements should e-mail their CV's to **jobs-zm@bancabc.com.** Only shortlisted candidates will be contacted. For detailed information on the jobs, visit our website at www.atlasmarazambia.com. Be sure to include the job applied for in the subject field. **Closing date: Monday 13th January, 2020**
